Your EUROMAT Summit Hotel – Book Early To Avoid Disappointment

The EUROMAT 2018 Summit will take place on 4th-6th June at SBM’s prestigious Monte Carlo Bay Hotel & Resort.

The event’s new-style inclusive format has already attracted significant interest from European gaming regulators, along with leading operators and manufacturers from the gaming and amusements sectors.

In addition to being spectacularly beautiful, the Monte Carlo Bay Hotel & Resort is also very conveniently located. The closest airport is Nice Côte d’Azur, located a 30 minute taxi ride or 20 minute rail trip from Monte Carlo. For those in hurry or wishing to arrive in style, Monacair provides a 7 minute helicopter shuttle service from the airport to Monaco.

A packed programme and the opportunity to network in beautiful surroundings have proved an irresistible combination to leading gaming professionals, to the point where Organisers are reporting that accommodation at the Monte Carlo Bay Hotel & Resort is already under pressure.

EUROMAT President Jason Frost advises: “We’ve negotiated extremely preferential rates for those attending the Summit, applicable to the nights of June 3rd 4th 5th and 6th. This rate will expire one month prior to the event, so it’s really important that attendees book as soon as possible. June is high season in Monaco and there are other events taking place at same time.

“With its own lagoon, fitness centre, spa and 3 restaurants, including one with a Michelin Star, the Monte Carlo Bay Hotel & Resort will provide a very convivial setting for networking; it would be hugely beneficial to have everyone at the same location,” continues Jason.

Preferential hotel rates apply to a variety of rooms and suites and may be accessed via the EVENTS tab of the EUROMAT website: <https://euromat.org/gaming-summit-2018-travel-accommodation>

Should your chosen dates be unavailable at the Monte Carlo Bay Hotel & Resort, the website also provides access to some excellent rates at nearby properties.

With two full days of wide-reaching panels and unparalleled networking opportunities, the EUROMAT Summit is a must-attend event for Europe's Gaming and Amusement Industry professionals. Book now to secure your 'home-from-home' at this unmissable event.

Editors' Notes:

The European Gaming and Amusement Federation (EUROMAT) is the voice of the land-based gaming entertainment industry in Europe; a highly regulated and highly taxed industry sector accounting for more than 250,000 jobs across Europe.

The organisation was established in 1979 to represent, through its affiliated national associations, private sector operators of gaming machines and the manufacturers that supply them. Today, EUROMAT has 14 national member associations from 11 European countries, as well as two observer members from France and Hungary.
