

## **16<sup>th</sup> March 2020: A Statement From Swan Events - Organisers of the European Gaming & Amusement Summit (EGAS)**

The devastating effect of Coronavirus is becoming increasingly felt around the world and is impacting all our daily lives. The health and safety of all EGAS participants is of paramount importance to us, and reluctantly, Swan Events and EUROMAT confirm that the EGAS event will not take place between 12<sup>th</sup> and 14<sup>th</sup> May.

At such time as circumstances allow, we will review the situation with a view to rescheduling, though current advice is indicating that this is unlikely to happen soon.

We'd like to express our gratitude and appreciation to our sponsors and all of those who've shown support for this new event.

Keep safe during these challenging times,

Karen Cooke

Director, Swan Events
