

Novomatic joins EUROMAT as its latest corporate member

09/03/2021

FOR IMMEDIATE RELEASE

Novomatic UK has joined EUROMAT as its latest corporate member. Novomatic UK becomes EUROMAT's 5th corporate member alongside its 12 association members covering 9 markets in Europe.

Commenting on the news, EUROMAT President Jason Frost said: "I am really pleased to be welcoming one of our industry's biggest names, in operating and manufacturing, as our latest corporate member. It is a huge vote of confidence in EUROMAT and the value that we can offer to members. Novomatic brings knowledge and experience to the table which is of immense value to our members".

Paul Teroni, Strategy and Business Development Director, Novomatic UK said: "The UK may have left the European Union but regulatory developments in Europe can still have a direct or indirect impact on us. EUROMAT is a good platform for us to engage with our counterparts across Europe and keep ahead of developments".

Novomatic UK join EUROMAT during an intensive period of activity for the association as it lobbies for new rules to curb illegal gambling sites through the Digital Services Act, currently under discussion in Brussels, as well as advocating for proportionate regulation for the street market in an upcoming reform of European anti-money laundering rules.

Notes to editors

About EUROMAT

The European Gaming and Amusement Federation (EUROMAT) is the voice of the land-based gaming entertainment industry in Europe, a highly regulated and highly taxed industry sector accounting for more than 250,000 jobs across Europe. The organisation was established in 1979 to represent, through its affiliated national associations, private sector operators of gaming machines and the manufacturers that supply them. Today, EUROMAT has 12 [national member associations](#) from 9 European countries, as well as 5 [corporate members](#). For further information about EUROMAT, please visit <https://euromat.org/> and follow EUROMAT on [LinkedIn](#) and [Twitter](#).
